People are caring, giving and sharing,

No need to chose, nothing to lose,

This is the Season of Hope.

Let It Snow

Lyrics by Sammy Cahn / Music by Jule Styne

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let It Snow! Let It Snow! Let It Snow!

Oh, it doesn't show signs of stopping,
And we bought some corn for popping,
The lights are turned way down low,
Let It Snow! Let It Snow! Let It Snow!

*When we finally say goodnight,
How we hate going out in the storm!
But we'll wrap ourselves up real tight,
So all the way home we'll be warm.*

Oh, the fire is slowly dying,
And friends are still good-bying,
But as long as the candles glow,
Let It Snow! Let It Snow! Let It Snow!

*When we finally say goodnight,
How we hate going out in the storm!
But we'll wrap ourselves up real tight,
So all the way home we'll be warm.*

Oh, the fire is slowly dying,
And friends are still good-bying,
But as long as the candles glow,
Let It Snow! Let It Snow! Let It Snow!
Let It Snow! Let It Snow! Let It Snow!

Let It Snow....! Let It Snow....! Let It Snow....!

AN ATTITUDE OF GRATITUDE – by Jimmy Buffett

Bully in the playground, where'm I gonna play
Found another playground half a block away
Made a little song up, caught a little rhyme
An attitude of gratitude will do it every time.

***An attitude of gratitude when stuff has got you down
Can get you satisfatitide and turn your world around***

***An attitude of gratitude, Hooray for what's OK
Say thank you with emphatitide, and it's a brand new day.***

So, now I'm in the Dog House for climbing up a tree
But I've got dear ol' Grandma watching after me
Made myself a sandwich, a little P B J
An attitude of gratitude can chase the clouds away

***An attitude of gratitude that's what it's all about
That no-hope-to-be-had-itide is sure to wear you out***

***An attitude of gratitude, Hooray for what's OK
Say thank you with emphatitide, and it's a brand new day.***

*Everything's a dollar, a dollar twenty-five
Haven't got a dollar but I'm glad to be alive.
I shared my lunch with Janey, she shared her lunch with me
An attitude of gratitude is absolutely free.*

They say this is the showdown, they say it's us or them.
They just can't see that us and them are relatives and friends.
I made a little song up, put it on the charts.
Says, "Come on, people! Everybody! Open up your hearts!"

***An attitude of gratitude when push has come to shove
Eliminates combatitide and changes fear to love.***

***An attitude of gratitude, Hooray for what's OK
Say thank you with emphatitide, and it's a brand new day.***

YOU CAN GET IT IF YOU REALLY WANT

Jimmy Cliff / Additional Lyrics by Edd Key

CHORUS

You can get it if you really want.
You can get it if you really want.
You can get it if you really want,
But you must try, try and try,
Try and try, 'til you succeed at last.

Got a feelin' down in my heart,
Everybody got to play their part.
If you want a true holiday treat
Sing a song of peace on every street.

CHORUS

Peace does not come in a day.
Opposition gonna come our way.
But the harder we work and believe,
The sweeter will be the victory

CHORUS / Break / CHORUS

Oh, you know it / Got to show it
We can make it / You can't take it
Yeah, you know it / Got to show it
We can make it / Ahh ah ah!

RAPPIN' UP THE HOLIDAYS

Edd Key

Ya **know**, I really love this **time** of year
I **love** all the lights and the **holiday** cheer
I **love** all the smiles and the **old** sweet songs
I **REALLY** like the gifts that you **bring** along

But **every** December as the **year** draws down
I **like** to take a minute and **look** around,
I **think** of how the year has **been** for me
I **think** about my life and my **family**

Did we help one another,	did we make things better?
Did we solve every problem,	did we follow every letter?
Did we listen , did we learn,	did we laugh , did we cry?
Did we make the world brighter,	did we make the time fly?

CHORUS

1 3 3 5 5 4 4 6
We Rappin' up the Holidays

3 3 5 5 5 4 3 4 2
Celebrating our different ways

1 3 3 3 5 5 5 4 4 6
We light up the lights and we watch them blaze

5 5 5 3 2 2 1
Rappin' up the Holidays

5 5 5 5 5 5 5 5 8
Ya, we Rappin' up the Holidays!

Ya **say** I'm just a kid, with a **whole** lot to learn
But I **try** to pay attention as I **watch** the world turn.
I see **people** doin' this, I hear **people** sayin' that.
It **makes** me stop and wonder where the **truth** is really at

And **so** this December, 'stead of **asking** for more,
I'm **asking** everybody whether **rich** or poor,
Can we **stop** all the fightin', can we **end** all the hate?
Can we **work** at putting food on every **little** kid's plate?

Can we **make** sure they have a place to **learn** and play,
Can we **keep** the streets safer both **night** and day?
Can we **see** that everybody has a **warm** place to live?
Can we **learn** to forget, can we **learn** to forgive?

CHORUS

So **here's** a little thought for your **Holiday** cheer
In - **stead** of thinkin' just about your - **self** this year
Think of **givin'** some help to some - **body** who needs it
This **world** needs change so be the **one** who leads it.

Hey, if **I** can get along with the **people** on my block
Maybe **I** can make a difference on this **Big** Blue Rock
If **I** can be nicer to my **sister** and my brother
Maybe **we** can ALL learn to take **care** of each other

Say **come** on everybody time to **reach** out a hand
From **country** to country and **land** to land.
Let's **look** each other **in** the eyes
Maybe we can learn to **compromise!!!**

HAVE A HOLLY JOLLY HOLIDAY

Music and Lyrics by JOHNNY MARKS / Additions by EDD KEY

*Have a Holly Jolly Christmas,
It's the best time of the year.
I don't know if there'll be snow,
But have a lot of cheer.*

*Have a Snappy Happy Hanukkah,
And when you walk down the street,
Say hello to friends you know
And everyone you meet.*

*Oh ho, the candle glow brightens every heart
Ring out the old year as we bid the new year start.*

*Have a Comfy Cozy Kwanzaa ,
And in case you didn't hear,
Oh, by golly, have a Holly Jolly
Happy New Year.*

(WHISTLE One verse, then REPEAT from the beginning)
